

Twice as many commercial patients can pay \$9 or less for branded VASCEPA® (icosapent ethyl) compared to the generic icosapent ethyl*

Commercially insured patients can pay \$9 or less[†] for branded VASCEPA using the VASCEPA Savings Card

VASCEPA is the **exclusive IPE** for many nationally insured lives; generic icosapent ethyl may be blocked[‡]

Managed care exclusives are still in place for branded VASCEPA for 2023!

- ▶ **Step 1:** Check if **branded VASCEPA** is being filled—if not, override the system with your patient's permission
- ▶ **Step 2:** Check if the \$9 for 90 Days Savings Program is being utilized

If generic icosapent ethyl is rejected, rerun the patient's claim using these steps

For further savings, call the patient's provider and ask if they can prescribe a 90-day supply of VASCEPA[§]

- ▶ Even eligible, commercially insured patients paying a generic tier copay may have their prescription cost reduced by using the VASCEPA Savings Card[†]

Eligible patients can pay as little as \$9 for a 90-day[†] supply with the VASCEPA Savings Card. Subject to eligibility. Restrictions apply.[†]

You can download the universal VASCEPA Savings Card^{||} at vascepahcp.com/savings or utilize the active BIN# at the bottom of the VASCEPA Savings Card on this page.

The codes below can be used for all your eligible customers

Pay as little as \$9
for 90 days.*

No Activation Required.

*Limitations apply.
Reimbursement limited to \$150 per month or \$450 on a 90 day fill.

Vascepa[®]
(icosapent ethyl)

Pharmacist and Beneficiary: When you use these codes, you are certifying that you have not submitted and will not submit a claim for reimbursement under any Federal, State, or other Governmental programs for this prescription.

Exclusive IPE: Conveys the health plan has selected to list VASCEPA on formulary, but generic icosapent ethyl (IPE) is non-formulary.

Generic tier: Demonstrates a health plan makes VASCEPA available to its patients requiring only a generic tier copay.

*Data based on analysis of DRG formulary data and Symphony claims data of patients' final out-of-pocket cost, with eligible commercially insured patients using the VASCEPA Savings Card. Data on file.

[†]For eligible patients only. Maximum savings and other terms and conditions apply. See <https://vascepa.copaysavingsprogram.com> for details.

^{||}Data on file.

[§]With the Savings Card, eligible patients can pay \$9 for either a 30- or 90-day supply.

^{||}Universal Pharmacy Card (UPC) may be applied for any eligible patient by entering all 4 codes.
